

Las Animas County Sheriff's Office

Ranch Watch

Sheriff: Derek Navarette: Navarette@lasosheriff.org

Undersheriff: Rey Santistevan: Santistevan@lasosheriff.org

Deputy: Morgan Stephens: Stephens@lasosheriff.org

The Ranch Watch program is designed for ranching and rural communities. The program works for small and large landowners, as well as small and large livestock owners/producers.

The Ranch Watch program unlike most programs does not leave out rural America. The program is designed to bring residents and Law Enforcement together to reach the goal of a safer county for all.

The program will allow residents and Law Enforcement to have meetings to discuss concerns within the community and any illegal or suspicious activity occurring within the community.

The Sheriff's Office is committed to the program and serving the rural communities of our county. Without your assistance we can only do so much to create a safer environment for all of our families.

The program will cover the following:

- Livestock thefts
- Suspicious activity
- Trespassers
- Poachers
- Vandalism
- Community issues

Deputy Morgan Stephens will be the direct contact for the Las Animas County Sheriff's Office and will oversee the program. For any information related to Ranch Watch please contact Deputy Morgan Stephens.
